Dear Mr. Thompson:

Recently personnel from the City of Springfield, Public Works Department, assisted you in the determination of a mysterious discharge of wastewater at the corner of Weaver Avenue and Edgewood Street. Through dye tracing, the filter backwash system of your pool was determined to be the source of the discharge.

Please be advise that such a discharge is in violation of Chapter 30 of the City Code. The above mentioned discharge shall, along with any sanitary facilities at this location, be attached to the sanitary sewer adjacent to the pool property within 30 days after receipt of this notice.

Thanking you in advance for your cooperation.

Yours truly,

Robert E. Corson  
Water Pollution Control Inspector III

Mr. Potter has been out of town therefore he hasn't been able to answer this before. He will be closing the pool the 6th of Sept. and this will be taken care of before the pool opens next spring.

A handwritten signature in cursive script, reading "Thank You" followed by a signature that appears to be "J. Potter".
